The sale will commence at 11 A. M. on the dates specified, and the villages will be knocked down to the highest bidder without reserve.

2. Provided that when a village is divided into separate recognized vrittis, the Assistant Commissioner may, at his option, instead of selling the village as a whole, sell each vritti separately.

3. The purchaser will be required to deposit 25 per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within 15 days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made nor the remaining purchase money paid up, the villages shall be resold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals, otherwise their bids may be rejected.

6. The sale shall be stayed, if the defaulters or any other person acting on his behalf or claiming an interest in the land, tender the full amount of the arrears of revenue with the interest and other charges, before the property is knocked down or give satisfactory proof that the amount of the arrears, &c., has been paid up.

7. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed, be placed in immediate possession, and the villages will be registered in the name of the purchaser, and a certificate of sale signed and sealed by the Assistant Commissioner will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description and in estimated extent.
